31 TOTAL NON-PROFIT CHARTER ORGANIZATIONS

THIS IS TWO FEWER THAN THERE WERE IN 2023-2024

Non-profit charter organizations are groups that oversee individual or networks of charter schools. Each organization has its own board. They are responsible for the operations, staffing, finances, and administration of the schools under their purview. They have a contract (or charter) with NOLA-PS, which ensures they are meeting accountability standards. A notable change for 2024-2025 is that NOLA-PS is now operating a school directly.
